## Personal Past Contributions and Future Goals Form

**Nominee's Name: SALMAN SHAHAB**

**Profession:** IT Management

**Organizational Title/Position:** SysLogic, CEO

**Years of Service**  
30

**Candidate for:** BOE

**Please list briefly (in 10 sentences or less) your contribution(s) to the Community.**

I've been a member of ISCN and resident of Corona since 1998. I have participated materially in the Masjid construction, attended community events and registered my presence where needed and voiced my concerns where appropriate.

**Please state briefly (in 10 sentences or less) your vision, goals and plans for the future of ISCN.**

ISCN has come a long way and made significant progress in bringing the community together and reaching out to other faiths to help bridge the gap between various cultures and faiths and promote respect and understanding for each other. Nevertheless, there is a lot more that needs to be done in this area. We need to establish new programs and services to reach out to other communities. We also need to clearly define and streamline the operational aspects of our processes which need to be person-independent. Financial reports should be independently audited and be more transparent and accessible by any community member.

I hereby give my consent to the Election Committee to place my name on the ballot for the 2018 Election of Boards of the Islamic Society of Corona/Norco. Inshallah, if elected, I pledge to fulfill the duties and responsibilities that will be entrusted to me, to support ISCN's programs and services and to abide by its bylaws and policies.
