## Frequently asked questions

### **Why am I signing up for next year membership?**

Our membership periods start on Jan 01 and ends on December 31. Since Jan 01 is down the road we are no longer accepting current year membership. Your membership start date will be the date you submit your application but your membership period will begin on Jan 01. So basically you are getting 2 month of free membership.

### **When would I become eligible for a voting member?**

You will be eligible to become a voting member, one year after the date you submit your application.

For Example: You sign up for membership online on Nov 05 2016 for membership period which starts on Jan 01 2017, you will be eligible to become a voting member starting Nov 06 2017 (one year after the date you initially submitted the application.)

**\*Note: To become a voting member, you must fulfil other requirements beside one year as stated in ISCN by laws including explicitly applying to voting membership status.**
